

If visual indications of fallout appear, take shelter for two or three days underground or behind thick walls. (These tips are generally true.)

This card may be the only nuclear training you get. Knowing A, B, & C, can protect your life and your department.

Give a card to each emergency responder in your jurisdiction.

These principles were developed during nuclear weapons tests from the 1940's – 1960's and remain valid today! The laws of physics do not change.
